Your Co-op Supports Your Community!

Lakeshore Co-op has proudly supported hundreds of events in our community with in-store fundraising opportunities over the years.

All dates will be booked quarterly for three months at a time:

(approximately 7 grocery packing dates, 7 table dates, 0 carwash dates)
April, May, and June – dates will be confirmed on March 1st
(approximately 7 grocery packing dates, 6 table dates, 14 carwash dates)
July, August, and September – dates will be confirmed on June 1st
(approximately 6 grocery packing dates, 7 table dates, 10 carwash dates)
October, November, and December – dates will be confirmed on September 1st
(approximately 7 grocery packing dates, 6 table dates, 0 carwash dates)

Applications will be held until the decisions are made and then the groups selected will be contacted and posted at member service. They will also be posted on our website one month prior. There are several factors that influence the decisions to allow certain groups to book dates, including:

- **Applications from non-Co-op members will not be considered.**
- **Incomplete Applications will not be considered.**
- The Co-op has identified hunger, youth health living (fitness, exercise and sport) as our main donation objectives, organizations that assist in these areas will be favoured.
- The Co-op recognizes that with a limited number of spaces available, and requests from many groups, more weight will be given to groups that help the largest number of participants.
- The Co-op recognizes that with a limited number of spaces available, and requests from many groups, more weight will be given to groups that can provide the Co-op with the most recognition in return for our assistance in your fundraising projects.
    - For example, if your group has 10 people and is not planning on recognizing the Co-op in any media outlet, we will choose a partner that provides the Co-op itself with more benefit.
- Any particular group will not be considered for multiple dates within six weeks of each other.
- Groups that have either cancelled late, no-showed, failed to recognize the Co-op as agreed or had performance issues when in store will not be considered for future dates.
